OHRR 18B-54D Bucks Anna 26F

18B - dam

A powerful February heifer from our great young son of Buckshot. Dam is a high volume, great uddered Game Plan daughter from our wonderful Annabelle cowfamily. Dam has a 102 MPPA and Grandmother has a 104.6! Lots of powerful, great uddered females in this pedigree including 17W the granddam on the sire side with a 104 MPPA! She has what it takes to show and be an awesome cow!

OHRR 23Y-149B Annabelle 53F

23Y - dam

A fancy, attractive heifer that is also from the super Annabelle family known for great uddered, high quality, top performing females! Dam has been very productive, grandmother is still in our herd, will be 13 years old and has a 103.4 MPPA. Great grandmother on the bottom side is Annabelle 107J herself with a 109 MPPA! 6W is the granddam on the topside pictured below as an embryo donor.

OHRR 74A GP Ms Juana 26E

023 - granddam

Right from the top of our bred heifers! She combines two of our greatest performance and maternal sires - Game Plan and Red Global Trust! Dam has a 104 MPPA and is a direct daughter of Juana 023, one of our most consistent producers. Game Plan's dam has a 113 MPPA! Due Feb. 22 to OHRR 7300 Dak Direct 21E a New Direction son who's grandmother is the great 9010 cow(right).
